

Collective Series **Chainstay Armor**

For the riders looking for fortified protection of the chainstay and other high wear areas of the frame.

- Protects your chainstay from harsh chain slap.
- The roll of material can be trimmed to fit any area of the frame requiring protection.
- The rubberized strip is 50mm wide and 1000mm long.
- Can be used to wrap a component or to trim a custom piece.
- Fits all makes, models, and sizes.
- Includes installation instructions and RideWrap Cleaning Wipe.
- Available in Matte Black
